PROJECT TITLE   **: CREATION OF AN APPLICATION FOR**
.   **SCHOOL   MANAGEMENT**

Ideation Phase

In this milestone you are expected to get started with the Ideation process.

Empathize & Discover

- In this milestone, you are expected to work on the Empathy Map, referring to the standard template available om mural
- Problem statement is a formal business report written by either a business leader or consultant to define and describe an issue an organisation is facing. Its goal is to propose a detailed method to solve the problem and recommend how those responsible can prevent it from reoccurring in the future.
  Define The Problem Statement
- In this Activity, you are expected to refer the phase template, prepare it accordingly and submit.
- When the staff of administrator wants to record the data of the student, they need to fill out by use the manual system, In this case data might be lost when several problem is occur. Other problem that can be happen is hard to search and update the student information and class arrangement.
